Adaminaby Public School | Term 1 | Week 8

Stephanie Alexander Kitchen Garden

The next Stephanie Alexander Kitchen Garden day will be on

Thursday 23rd March. The K-2 group will be cooking and the 3-6 group will be doing gardening activities.

Award Winners

The students of Adaminaby Public School are the proud recipients of an award winning cow! We came first place in the schools collaborative 'Create a Cow' section. Our cow was made from meat trays, and was sitting on a plate. The sculpture was aptly named 'From Paddock to Plate'. Well done Adaminaby!

P&C News

Once again the P&C will be participating in the wood auction at the Adaminaby Easter Fair. If you are able to donate a load of wood for the auction it would be much appreciated. You will be responsible for cutting, loading, display of wood on ute/trailer at the fair and delivering the wood to the buyer. This is a major fundraiser for the P&C and the school, so your help with this would be greatly appreciated.

gold coin donation.

Students may bring red sports shirt or a singlet to change into for the running. It is also a great idea to have running shoes on!

This will be a good warm up for the district cross country due to be held on 29th March at Nimmitabel. A note for this will come home shortly.

Book Fair

Our next Book Fair is scheduled for Wednesday 22nd March. Books will be on sale in the library from 9am.

Great Job Swimmers

Four students represented Adaminaby Public School and the Snowy Mountains Primary School Sporting Association last week swimming in the P6 relay at the Regional Swimming Carnival.

Luke, Kianna, Jack and Clyde swam their absolute best, and took out the 4th spot. Adaminaby Public School would like to congratulate these students on their performance and thank them (and their parents) for travelling all the way to Dapto to swim in this event. It's a huge effort!

Kerrie's Back

We are very happy to welcome our teacher, Kerrie back to the school this week, after her travels. Kerrie will once again be a regular, joining us on Thursdays. As well as assisting Mr Bogatek with literacy in the mornings, Kerrie will take on the fortnightly kitchen sessions for our Stephanie Alexander Kitchen Garden Program. Kerrie will also be doing art and craft sessions with students in the afternoons.

Maths books for practising at home

As explained in the last newsletter, in accordance with the homework policy and in line with current research, we are not using the maths books as homework books this year. However if this is still something that you would like to do with your child at home, so that they have the opportunity to practise, you can purchase a book from the school. The books are \$12. If you would like one please send in money in an envelope with name and labeled 'maths book'. For more information regarding homework policy please see attached homework policy document or come in and have a chat.
